GENEVE

NYON

The GENEVE series is natural and trendsetting in equal parts, inspired by the crushing and pressing of natural soil used in the sustainable construction of artificial shelters, one of the first materials used by humankind.

Its chromatic range has been carefully studied to give it a natural look, taking care of the details and adding a sinuous glossy finish that gives it definition and volume. A collection that will make you want to stop and analyse each piece.

It is available in interior and exterior floor and wall finishes with various thin wall tile options. In addition, the Mont Blanc series is available as a colour complement in the Forms family. These types of pieces broaden the range of a very complete and dynamic series.

La serie GENEVE es naturalidad y tendencia a partes iguales, se inspira en el picado y prensado de tierras naturales que se utiliza en la construcción sostenible de refugios artificiales, siendo uno de los primeros materiales utilizados por el hombre.

Su gama cromática ha sido cuidadosamente estudiada para conferirle el aspecto natural, cuidando sus detalles y añadiéndole un sinuoso acabado brillo que le aporta definición y volumen. Sin duda, una colección para detenerse y analizar cada pieza.

Se presenta en acabado de interior y exterior en pavimento y en varias opciones de revestimiento de espesor fino. Además, se presenta la serie Mont Blanc como complemento de color dentro de la familia de Forms, este tipo de piezas amplían el abanico de una serie muy completa y dinámica.
